Dear Charanjit Singh Sehmbi,

Congratulations on your success! You have requalified to be an Associate of our Active World Team. We appreciate your commitment to our shared purpose of making the world healthier and happier, and we are so proud of your achievements.

We are honored to present you with your Active World Team pin, which we hope you will wear with pride. We are also pleased to present you with your certificate, which is so well earned and should be proudly displayed for all to see.

Jim Rohn was so right when he said, "For success, find something you believe in and tell your story every day. Seek counsel." As part of the Active World Team, we encourage you to continue seeking counsel, learning and growing every day. Hard work and consistency are the keys, and you've already demonstrated your ability to do both. Keep it up!

Again, congratulations! Your success is a testament to our "Distributor Difference." The person-to-person, high-touch experience you provide to your organization and your customers is our competitive advantage, and we thank you for your commitment and your passion

Best wishes for your continued success,
